Es convoca els candidats i candidates que han superat l'anàlisi i avaluació dels mèrits .

La prova de selecció serà pública, el candidat o candidata haurà de fer, durant un màxim d'una hora i mitja, una breu presentació personal i, seguidament, un seminari sobre el tema que consideri adient. A continuació, la comissió formularà les qüestions que consideri oportunes, tant sobre els mèrits aportats en el seu currículum com sobre el seminari impartit o sobre qualsevol altre aspecte relacionat amb el contracte ofert i l'activitat que es preveu que haurà de desenvolupar. Aquesta prova es podrà fer en llengua anglesa.

El candidat o candidata que no es presenti a l'hora assenyalada, disposarà d'una segona convocatòria al cap de 15 minuts. Si no s'hi presenta, es considerarà no presentat i, per tant, serà exclòs del procés de selecció.

The candidates who have passed the analysis and assessment of merits are notified.

The selection test will be public. The candidates must make a brief personal presentation followed by a seminar on a topic of the candidate's choosing, together lasting an hour and a half at most. The committee will then ask any questions that it deems appropriate on the merits presented in the CV, the seminar given or any other aspect related to the contract offered and the activities that successful candidates will be expected to carry out. The test may be conducted in English.

Candidates who fail to show at the set time are called for the second time 15 minutes later. Candidates who fail to show will be considered absent and therefore excluded from the selection process.

**ACORDS / AGREEMENTS**

The second stage will take place at the ETSAB on February 1<sup>st</sup> and 2<sup>nd</sup>, 2018 starting at 10:30 AM. Candidates will have a maximum of 90 minutes to make a brief presentation of their achievements regarding research, teaching and professional practice followed by a seminar in which they will develop a topic related to their interests in these fields.

Then, the members of the committee will be able to ask questions about the presentation and documentation (main publications could be exhibited).

Given the composition of the selection committee, the presentation can be conducted in English. If the candidates decide to use Spanish, they must deliver the introduction and conclusion in English. It is also recommended to deliver a printed bilingual abstract for the better understanding of the members of the commission, which may make their comments in English or Spanish.
