Es convoca els candidats i candidates que han superat l'anàlisi i avaluació dels mèrits .

La prova de selecció serà pública, el candidat o candidata haurà de fer, durant un màxim d'una hora i mitja, una breu presentació personal i, seguidament, un seminari sobre el tema que consideri adient. A continuació, la comissió formularà les qüestions que consideri oportunes, tant sobre els mèrits aportats en el seu currículum com sobre el seminari impartit o sobre qualsevol altre aspecte relacionat amb el contracte ofert i l'activitat que es preveu que haurà de desenvolupar. Aquesta prova es podrà fer en llengua anglesa.

El candidat o candidata que no es presenti a l'hora assenyalada, disposarà d'una segona convocatòria al cap de 15 minuts. Si no s'hi presenta, es considerarà no presentat i, per tant, serà exclòs del procés de selecció.

The candidates who have passed the analysis and assessment of merits are notified.

The selection test will be public. The candidates must make a brief personal presentation followed by a seminar on a subject that they consider appropriate lasting no more than 90 minutes in total. Then the committee will ask any questions that they consider appropriate on the topics presented in the candidates' curriculum vitae, on the seminar presented or on any other aspect related to the contract offered and the activity that successful candidates will be expected to carry out. This test can be performed in English.

Candidates who fail to show at the set time are called for the second time 15 minutes later. Candidates who fail to show will be considered absent and therefore excluded from the selection process.

ACORDS / AGREEMENTS

The Committee agrees to establish the timetable displayed below for carrying out the selection test for the candidates who have passed the first stage.

The Committee will evaluate the merits of the candidates and the candidate's research and teaching plans for the next five years and their adequacy to the post offered. The presentation is expected to cover the following aspects (suggested duration is given between brackets, as a guidance):

- Candidate presentation (10').
- Teaching aspects (15 to 20'): the Committee would like to hear about the teaching vision and pedagogy methods in addition to specific comments on the teaching topics on which the candidate can be involved.
- Research part (around 45' in total): it should be divided into three steps. The first step is a scientific seminar on a topic selected by the candidate among his/her best research, in the format of a scientific conference (15'). The second stage is a coverage of the main scientific contributions of the candidate in the past, involving also the technology transfer and research management aspects. The third step is a presentation of the research project with the strategic lines for the next five years.
- The candidate can conclude his/her presentation in 5' - free format
