Per als contractes de professorat lector serà mèrit preferent l'experiència post-doctoral internacional o l'estada de la persona candidata en universitats o centres de recerca de reconegut prestigi, espanyols o estrangers, diferents de la universitat contractant.

In the case of assistant professorships, the most desirable merit is international postdoctoral experience or stays at prestigious universities or research centres in Spain or abroad other than the hiring university.
