

Corrigendum to the specific conditions of Resolution 1342/2017, of 23 June 2017, of the Universitat Politècnica de Catalunya, announcing the selection processes for the hiring of teaching and research staff in the framework of the Serra Húnter Programme (DOGC 07/07/2017).

In Section 6.2.9, the following text appears:

The test begins with a brief personal presentation lasting an hour and a half at most, followed by a seminar on a topic of the candidate's choosing. The committee will then ask any questions that it deems appropriate on the merits presented in the CV, the seminar given or any other aspect related to the contract offered and the activities that successful candidates will be expected to carry out. In view of the characteristics of the Serra Húnter Programme, the test may be conducted in English.

The committee will draw up a joint report on each of the candidates and agree on the candidates who have passed the selection test.

It should read (the correction in bold):
