In the documents: 20200708 acta\_primera\_prova\_SH\_LE\_8033\_8034 and 20200708 comunicacio 2-calendari prova\_LE\_8033\_8034, it was indicated:

*The days for the selection test and the proposed hiring priority will be September 14 and 15, 2020.*

#### *INFORMATION ABOUT THE TESTS:*

*Given the current circumstances, the test will be done entirely telematically, or in a mixed format: telematically and in person.*

*Place: Room 10-44. Address: Dpt. of Project and Construction Engineering (DEPC),*

*ETSEIB, Technical University of Catalonia (UPC)*

*Avda. Diagonal 647, 10th floor, 08028 Barcelona, Spain*

Finally, this test will be carried out in mixed format:

Candidates: in person for each of the candidates according to the initial planned schedule,

Regarding the committee: president and secretary in person and for the three vocal members digitally via teleconference.

The face-to-face part will take place in the place originally planned.

This test is public, but given the circumstances of the pandemic by COVID-19, it will be possible to attend only electronically. The link must be previously requested from the secretary of committee.

The specific link will be indicated in due course.

Secretary of committee.

José M<sup>a</sup> Baldasano Recio
