

Resolution 242/2019, of 7 February, of the Universitat Politècnica de Catalunya, announcing the selection processes for the recruitment of teaching and research staff in the framework of the Serra Húnter Programme

CONSIDERING:

Law 1/2003, of 19 February, on Universities in Catalonia (LUC); the seventeenth additional provision of Law 5/2012, of 20 March, on fiscal, financial and administrative measures and the establishment of a tax on stays in tourist establishments; Law 3/2016, of 15 December, which extended the Serra Húnter Programme with effect from 1 January 2016 and was amended by Article 233 of Law 5/2017, of 28 March, on fiscal, administrative, financial and public sector measures and on the creation and regulation of taxes on large commercial establishments, on stays in tourist establishments, on radiotoxic elements, on packaged sugary beverages and on carbon dioxide emissions; Organic Law 6/2001, of 21 December, on Universities (LOU); the Decision of the Government of Catalonia, of 16 May 2017, which approves the Serra Húnter Programme for the period 2016-2020 and its characteristics; the agreement between the Administration of the Government of Catalonia, through the Ministry of Business and Knowledge, and Catalan public universities on the development of the Serra Húnter Programme for the recruitment of teaching staff in the period 2016-2020; and the Interuniversity Council of Catalonia's decisions of 22 June 2017 and 27 October 2017 concerning the recruitment of teaching and research staff at Catalan public universities in 2017.

That the contracts in this call do not affect compliance with the universities' budgetary stability objectives and other limits set by Organic Law 2/2012, of 27 April, on budget stability and financial sustainability, and that they comply with the provisions of Article 19 of Law 6/2018, of 3 July, on the Spanish government's general budget for 2018, which was extended for 2019, and the twenty-first additional provision of Law 4/2017, of 28 March, on the Catalan government's budget for 2017, which was extended in accordance with Decree 273/2018, of 20 December, which establishes the criteria for extending the Catalan government's budget for 2017 until the budget for 2019 comes into effect.

That the UPC's Governing Council Decision of 12 December 2012 approved the regulations for calls for recruiting contracted teaching staff with PhDs in the Serra Húnter Programme of the Government of Catalonia, and the rules governing this call, which is approved in Resolution 242/2019, of 7 February, by the Rector, published in the UPC's e-services portal.

That, because no suitable candidate was found in the call for applications with code LE-204, corresponding to Governing Council Decision 14/2015, of 10 February, which approved the assistant professor posts of the 2015 Serra Húnter Programme, a new call for applications was made with the code LE-610.

That the call for applications with code LE-609, corresponding to Governing Council Decision 85/2017, of 23 May, which approved the assistant professor posts of the 2017 Serra Húnter Programme, had not yet been announced.

I HEREBY RESOLVE:

One. To announce the selection processes for the recruitment of assistant professors in the framework of the Serra Húnter Programme that are listed in the appendix to this call and that will be governed by the set of rules published on the website <http://www.upc.edu/sdp>, in the section Concursos PDI, Convocatòria de concursos, Concursos Serra Húnter, Resolution 242/2019, of 7 February.

Two. That applications must be submitted within 30 calendar days from the day after the publication of this resolution in the *Official Gazette of the Catalan Government*.

Three. To appoint the members of the selection committees listed in the appendix to this call.

Appeals against this resolution, which exhausts the right of appeal through administrative channels, may be filed with the ordinary courts of Barcelona within two months from the day after the notification of this resolution, in accordance with the provisions of Article 8 of Law 29/1998, of 13 July, which regulates the ordinary courts, without prejudice to the right to optionally file an appeal for reversal before appealing to the ordinary courts with the rector of the UPC, within one month from the day after this notification is received or, if appropriate, from the day after its publication, in accordance with articles 123 and 124 of Law 39/2015, of 1 October, on the Common Administrative Procedures of the Public Administrations.

The rector
