

Resolution 23/2017, of 11 January, appointing a new selection committee for the assistant professorship competition in Nautical Science and Engineering, code UPC-LE-204, announced on 4 March 2016.

FACTUAL AND LEGAL BASIS

ONE. Resolution 335/2016, of 26 February (published in the Official Gazette of the Catalan Government on 4 March 2016), announced the assistant professorship competition in Nautical Science and Engineering, code UPC-LE-204, within the framework of the Serra Húnter Programme.

In the same resolution, the members of the selection committee who were to participate in the recruitment process were appointed.

TWO. Because it has not been possible to constitute the selection committee within the period set out in the second paragraph of Section 6.1 of the Specific Conditions, the Universitat Politècnica de Catalunya, with the approval of the Serra Húnter Programme's directors, is appointing a new selection committee in accordance with the provisions of the collaboration agreement of 14 December 2012 between the Ministry of Economy and Knowledge's Secretariat for Universities and Research and Catalan public universities.

From the above, and by the powers granted to me by in Article 20.1 of Organic Law 6/2001, of 21 December, on Universities, and Article 68 of the current UPC Statutes,

I HEREBY RESOLVE:

ONE. To revoke the appointment of the selection committee for competition UPC-LE-204 published in the Official Gazette of the Catalan Government on 4 March 2016 and to appoint the members of a new selection committee for the aforementioned competition, details of which are given below.
