Es convoca els candidats i candidates que han superat l'anàlisi i avaluació dels mèrits.

La prova de selecció serà pública, el candidat o candidata haurà de fer, durant un màxim d'una hora i mitja, una breu presentació personal i, seguidament, un seminari sobre el tema que consideri adient. A continuació, la comissió formularà les qüestions que consideri oportunes, tant sobre els temes aportats en el seu currículum com sobre el seminari impartit o sobre qualsevol altre aspecte relacionat amb el contracte ofert i l'activitat que es preveu que haurà de desenvolupar. Aquesta prova es podrà fer en llengua anglesa.

El candidat o candidata que no es presenti a l'hora assenyalada, disposarà d'una segona convocatòria al cap de 15 minuts. Si no s'hi presenta, es considerarà no presentat i, per tant, serà exclòs del procés de selecció.

The candidates who have passed the analysis and assessment of merits are notified.

The selection test will be public. The candidates must make a brief personal presentation lasting no more than 90 minutes followed by a seminar on a subject that they consider appropriate. Then the committee will ask any questions that they consider appropriate on the topics presented in the candidates' curriculum vitae, on the seminar presented or on any other aspect related to the contract offered and the activity that successful candidates will be expected to carry out. This test can be performed in English.

Candidates who fail to show at the set time are called for the second time 15 minutes later. Candidates who fail to show will be considered absent and therefore excluded from the selection process.

ACORDS / AGREEMENTS

CALL FOR SECOND PHASE OF THE SELECTION PROCEDURE

(1) The face-to-face second phase of the selection procedure will be held in Barcelona, Room E1 (Pabellón E) of ETSEIB (Avda. Diagonal 647) at UPC, on tuesday September 6, and wednesday September 7, 2016.

(2) The test for the second phase will be done in English. It will consist of an oral presentation by the candidate and discussion with the candidate. Specifically, the test will consist of:

- (a) a brief personal presentation - aprox. 5 min.
- (b) a description of the proposed research and teaching program of the candidate, within the context of the Department of Materials Science and Metallurgical Engineering at the UPC. The focus of this part should be on future research and teaching plans to undertake by the candidate, if she/he were selected for this position - aprox. 35 min.
- (c) a debate/analysis/discussion of the information/proposal given by the candidate with each of the committee members - aprox. 10 min per member for a total of 50 min. It may also include discussion on research/academic merits listed in her/his CV (already detailed within documentation evaluated during the First Phase of the Selection Procedure).

(3) The scheduled day and time for each candidate's oral presentations corresponds to alphabetical order (candidate's last name) starting from the letter "N" on, this resulting from a lottery action done by a group of three people: Hilda Rodon (CMEM Department's Administrative Unit), Prof. Jose Maria Cabrera (Academic Secretary of CMEM Department) and Luis Llanes (Secretary of the Committee) last Monday July 4, 2016.
