That the contracts in this call do not affect compliance with the universities' budgetary stability objectives and other limits set by Organic Law 2/2012, of 27 April, on budget stability and financial sustainability and that they comply with the provisions of Article 20 of Law 31/2022, of 23 December, on the Spanish government's general budget for 2023, which was extended for 2024. That Governing Council Decision CG2023/03/17, of 13 April, approved the list of assistant professor contracts that are the object of the call for applications in the Serra Húnter Programme 2023-1, and in accordance with the regulations governing calls to fill posts for contracted professors with PhDs in the Serra Húnter Programme of the Government of Catalonia and Article 86.2 of Organic Law 2/2023, of 22 March, on the University System (LOSU) on the composition of the committee.
