

CONCURS SERRA I HÜNTER - PROPOSTA PRIORITZADA DE CONTRACTACIÓ
SERRA I HUNTER COMPETITION - PROPOSED HIRING PRIORITY

Publicació al DOGC Publication DOGC	Categoria Category	Perfil Profile
28/02/2022	Professorat Lector Tenure-eligible lecturer	

Referència del concurs Competition reference	UPC-LE-231-039
---	-----------------------

Un cop finalitzada la prova de selecció, tenint en compte l'informe motivat elaborat per la comissió, aquesta acorda la proposta prioritzada de contractació i proposa la persona candidata que encapçala aquesta proposta perquè se la contracti.

[At the end of the selection test, taking into account the reasoned report that it has drawn up, the committee agrees on the proposed hiring priority and proposes the hiring of the candidate at the top of the list..](#)

VALORACIONS DESGLOSSES DE LA SEGONA PROVA
DETAILED OF THE SECOND TEST SCORES

Behnam Mobaraki

Educational and Research Merits (Score: 12.6/20):

Moderate level of academic and research achievement. His qualifications align with some of the requirements for the position, but his research background may lack the depth or direct relevance needed for a stronger impact in this field.

Research Seminar Presentation and Oral Communication Skills (Score: 11.6/20):

Presentation skills and communication were competent, with clear visual materials. However, there is room for improvement in delivery and engagement to reach a more impactful level.

Capacity to Develop Research in Graphical Expression in Engineering (Score: 11.2/20):

Current research capabilities indicate a foundational understanding of the subject but lack the innovative depth and versatility needed for further development in this specialized area.

Answers to Questions from Selection Committee (Score: 13/20):

Demonstrated a strong grasp of relevant knowledge, answering questions with confidence and a solid understanding. This suggests he has a robust knowledge base in areas related to the position.

Capability and Interest to Develop as a University Lecturer (Score: 13.4/20):

Interest in an academic career is evident, and he shows potential for growth as a lecturer. However, further refinement in his teaching philosophy and approach would be beneficial.

Overall score of 61.8.

Secretari/ària de la comissió
Secretary of the Committee

Elahe Amini

Educational and Research Merits (Score: 8.6/20):

Academic and research background is somewhat limited, and her experience may not be fully aligned with the position's requirements. This suggests she may face challenges in meeting the demands of research and academic rigor expected.

Research Seminar Presentation and Oral Communication Skills (Score: 6.2/20):

Presentation skills and oral communication could use significant improvement. The presentation may have lacked clarity and engagement, impacting her ability to effectively convey her research.

Capacity to Develop Research in Graphical Expression in Engineering (Score: 5.8/20):

Appears to have minimal experience or demonstrated ability in this area, indicating that further development and experience would be required to contribute meaningfully to this field.

Answers to Questions from Selection Committee (Score: 6/20):

Responses suggest limited preparedness, with a possible gap in understanding or experience within the field. Strengthening foundational knowledge would benefit her in future assessments.

Capability and Interest to Develop as a University Lecturer (Score: 8.2/20):

Interest in the role is apparent, current capabilities in lecturing and engagement at the university level may need further development to align with the expectations of an academic career.

Overall score of 34.8

Ignasi Jorba

Educational and Research Merits (Score: 14.2/20):

A solid educational and research background, with achievements relevant to the field. His qualifications align well with the position's requirements, indicating he has a reasonable foundation for further growth.

Research Seminar Presentation and Oral Communication Skills (Score: 15.4/20):

Presentation was clear and engaging, demonstrating effective use of visual aids and communication skills. His ability to convey complex information effectively is one of his strengths.

Capacity to Develop Research in Graphical Expression in Engineering (Score: 15.2/20):

Understanding and some relevant experience, may need to expand his research activities to fully address and contribute to emerging needs in this specialized area.

Answers to Questions from Selection Committee (Score: 15/20):

Responses reflected strong knowledge and confidence, showing preparedness and depth of understanding. He provided clear, insightful answers, suggesting a good grasp of the field's demands.

Capability and Interest to Develop as a University Lecturer (Score: 15/20):

Expressed a genuine interest in academic development, and his capabilities align with the role. He shows promise as a lecturer, though some refinement in his academic direction may enhance his future contributions.

Overall score of 74.8
