---	-------------------

Es convoca els candidats i candidates que han superat l'anàlisi i avaluació dels mèrits .

La prova de selecció serà pública, el candidat o candidata haurà de fer, durant un màxim d'una hora i mitja, una breu presentació personal i, seguidament, un seminari sobre el tema que consideri adient. A continuació, la comissió formularà les qüestions que consideri oportunes, tant sobre els mèrits aportats en el seu currículum com sobre el seminari impartit o sobre qualsevol altre aspecte relacionat amb el contracte ofert i l'activitat que es preveu que haurà de desenvolupar. Aquesta prova es podrà fer en llengua anglesa.

El candidat o candidata que no es presenti a l'hora assenyalada, disposarà d'una segona convocatòria al cap de 15 minuts. Si no s'hi presenta, es considerarà no presentat i, per tant, serà exclòs del procés de selecció.

The candidates who have passed the analysis and assessment of merits are notified.

The selection test will be public. The candidates must make a brief personal presentation followed by a seminar on a topic of the candidate's choosing, together lasting **an hour and a half at most**. The committee will then ask any questions that it deems appropriate on the merits presented in the CV, the seminar given or any other aspect related to the contract offered and the activities that successful candidates will be expected to carry out. The test may be conducted in English.

Candidates who fail to show at the set time are called for the second time 15 minutes later. Candidates who fail to show will be considered absent and therefore excluded from the selection process.

ACORDS / AGREEMENTS

Below, criteria that the Evaluation Committee will particularly consider in the second stage presentations. In this respect, candidates must take into account that the members of the Evaluation Committee have access to and reviewed the documents provided by the candidates and the information about them available in the Internet, so it is not necessary to exhaustively present them during the selection test.

- 15 initial min summarizing the own CV key aspects and trying to emphasize why the candidate considers to be (assuming that this is the case) the most suitable one for the position in the competition.

- 35 min explaining a research project (approach and results) trying to be understandable for a layman in order to
